### March 2022 Newsletter

Dear Scott,

Where does the time go? Didn't I just send out the February newsletter?! And yet, ready or not, here comes March! Whether you are outside squeezing in as many last minute winter activities as you can before the big meltdown, or you are curled up by your fire anxiously awaiting the warmth of springtime, we hope you will make time to stop by the Library. We have lots of interesting new books for readers of all ages as well as new dvds, audiobooks, and puzzles for wiling away a winter evening. If you are feeling the need to exercise your brain a bit more, we have some of the Great Courses on topics such as American history, mental math, philosophy, economics, and more. And for the kids, there are many STEAM kits (Science, Technology, Engineering, Art, & Math) on fun and educational topics such as magnets, the human body, yoga, phonics, robotics, and much more. If you can't find what you are looking for, ask a library staff member who will be happy to help you locate the materials you seek. There is always something interesting at the Library!

Happy Reading,

Janet Wilson, Director

Thank you to all who purchased sauce from our recent fundraiser. And a special "thank you" to Patty Cerminara for her hours of time spent cooking this delicious sauce! The fundraiser was a great success!

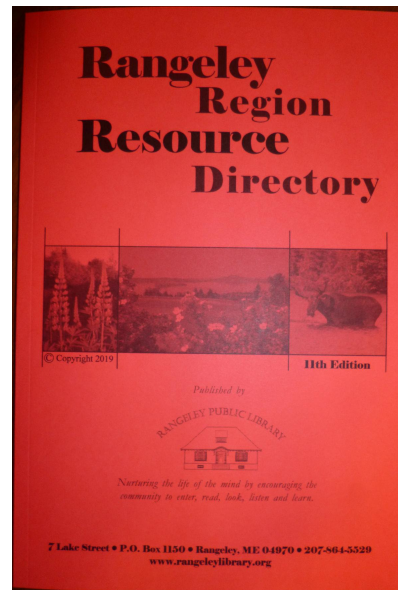

If anyone has canning jars they would like to return to us for next year, it would be much appreciated.

### Time is Running Out!
