

RANGELEY PUBLIC LIBRARY

March 2023 Newsletter

Dear Library Patron,

It may be late winter, but here at the library, we are already making plans for summer. On the calendar in July and August are programs about managing garden pests, the wonder of Maine wildlife, and several author visits including a Rangeley favorite, Paul Doiron. Although the calendar is filling up, there are still a couple of open spots, so I am asking you, our patrons, if you have any ideas for great programming you would like to see this summer at the library. Maybe you have heard a speaker that you really enjoyed who you think other Rangeley people would also enjoy. Or maybe you have a hobby you would love to share with other people. Whatever your thoughts, I would love to hear them!

Keep Reading,
